

The figure displays a 2x10 grid of image pairs. Each pair consists of a sharp input image on the left and a blurred output image on the right. The images include various subjects: a fish, a bird, a boat, a car, a frog, a lizard, a turtle, a snake, a butterfly, a flower, a leaf, a fruit, a vegetable, a piece of wood, a piece of fabric, a piece of paper, a piece of metal, a piece of plastic, a piece of glass, a piece of stone, and a piece of wood. The blurring effect is applied to the input images, resulting in the output images shown on the right.
